The Second Book of Master Falxifer will delve further into the Necrosophic mysteries of Qayin, but will also cast a black light on some crucial aspects previously hinted at and at the same time veiled, in the first book of the Left-Handed Reaper. One of these all-important aspects concerns the identity of and the gnosis granted by the Hidden Mother of Our Bloodline, the Bride of Qayin.

The work will once again present an extensive set of both worded and wordless manifestations of Sorcerous Gnosis and provide access to previously hidden keys to both low and high forms of Necrosophic Nigromancy, Necromancy, Ancestral Veneration, Herbal Demonology and give new detailed instruction about how the powers of the insignias, talismans and fetishes of the Lord of the Harvest can be further employed in order to achieve both temporal and spiritual power, victory and transcendence, all by walking in the fiery and blessed footsteps of the First Ones who traversed the Paths of Nod.

Some of the topics presented within the Second Book of Our Master are: esoteric discourses revealing the mythic foundation of our Qayinitic Gnosticism, the Hidden Bride of Qayin, Her secret formulas of Calling and Names of Power, Her sigils of both high and low sorcery, the unified and transcendent aspect of the Twin-Flame of Sataninsam, the Dark Dead and their hidden and most fearful aspects, the cleansing, protective and empowering baths, the herbal formulas and activations of the 7 Key Sigils of Death, the Mysteries of the Black In Green, exploring the powers of the First Tiller and the workings of the Esoteric Sigil of the Green Skull, the rites of protection and concealment, instructions concerning the creation and employing of the Qayinitic Bone Talismans (i.e. Payes), specific fetishes of some of the most important aspects of the Master, like for example the Fetish of the Lord of the Mound and the Skull of the First Harvester, the role of the First Dead within the Cult and His Sigils of Calling, talismanic work against the law, the ensouling Tinctures of Qayin and His Rose-Crowned Bride, the secret Kelim of Baaltzelmoth, the Grand Kliffotic Sigil of the King of the Ravens of Death, further teachings concerning the Mighty Dead and the workings of the Altar of the Dead, prayers, invocations and talismanic forms used for the channelling of the powers of both the soul and the spirit of Qayin and much more.
