A lightning strike against the Japanese underworld finds Mack Bolan the target of a secret army of extremists. Part religious cult, part crime clan, the Unseen Powers share an insane vision of restoring Japan's feudal glory. But first they must avenge their comrade... dead by the hand of the Executioner.

With innocent lives on the line, Bolan is ready to demand the going rate for terrorists and tyrants. To kill one, he has to kill all of the fanatical warriors waving the ritual sword of blood retribution. And the Unseen Powers won't stop until their last champion falls.

If that's what it takes, the Executioner will face them all - man, ghost, or god.
