From one of America's most celebrated educators, an inspiring guide to transforming every child's education

In a Los Angeles neighborhood plagued by guns, gangs, and drugs, there is an exceptional classroom known as Room 56. The fifth graders inside are first-generation immigrants who live in poverty and speak English as a second language. They also play Vivaldi, perform Shakespeare, score in the top 1 percent on standardized tests, and go on to attend Ivy League universities. Rafe Esquith is the teacher responsible for these accomplishments. From the man whom The New York Times calls a genius and a saint comes a revelatory program for educating today's youth. In *Teach Like Your Hair's on Fire!*, Rafe Esquith reveals the techniques that have made him one of the most acclaimed educators of our time. The two mottoes in Esquith's classroom are *Be Nice, Work Hard, and There Are No Shortcuts*. His students voluntarily come to school at 6:30 in the morning and work until 5:00 in the afternoon. They learn to handle money responsibly, tackle algebra, and travel the country to study history. They pair Hamlet with rock and roll, and read the American classics. *Teach Like Your Hair's on Fire!* is a brilliant and inspiring road map for parents, teachers, and anyone who cares about the future success of our nation's children.
